

# ORGANISATIONS IN EAST ANGLIA

We helped organisations across East Anglia in 2016 increase their productivity, reduce their costs and ultimately help make those **organisations stronger**.

We've crunched the numbers and put together an infographic to show how these organisations benefited from choosing Digital Copier Systems (Eastern) Ltd as their partner.

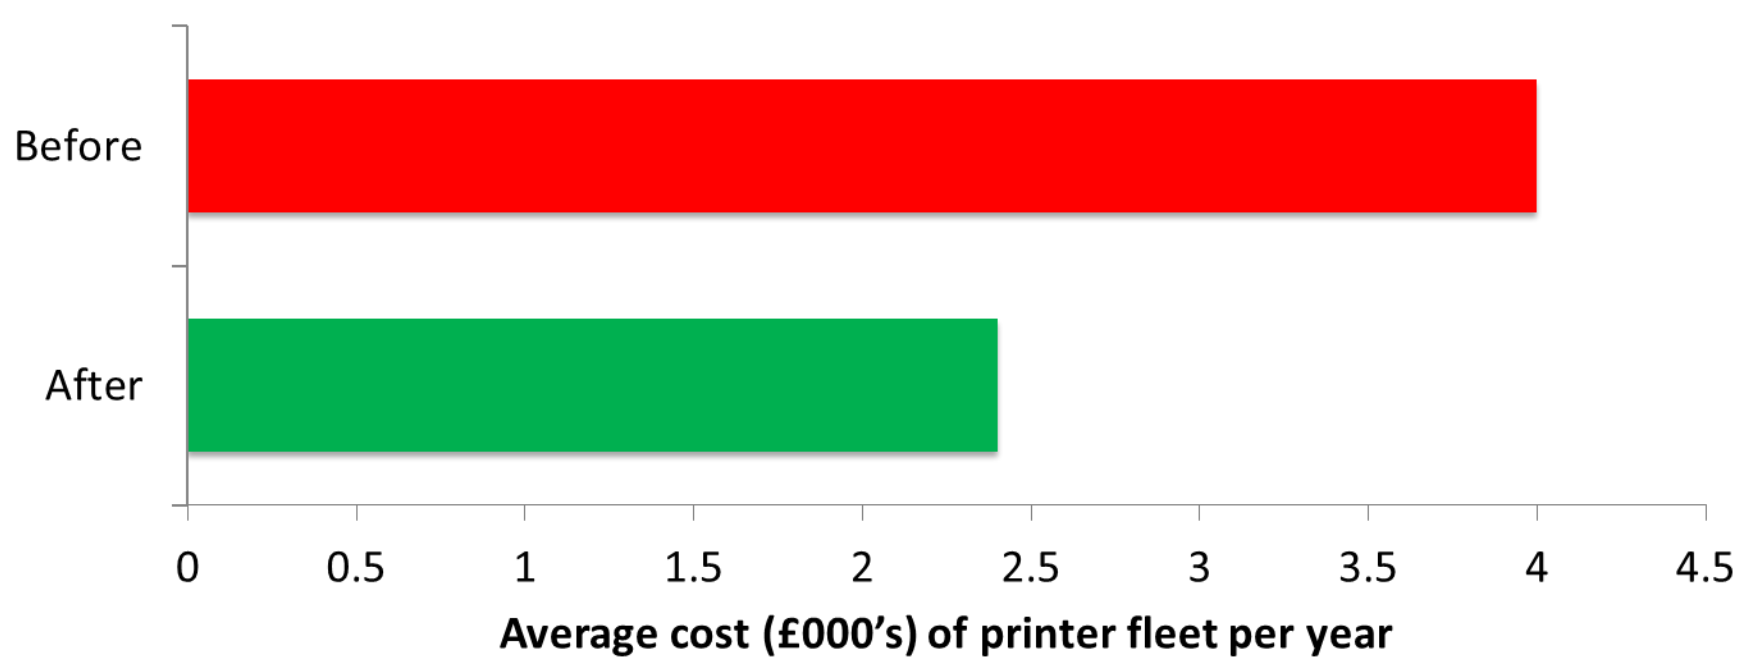

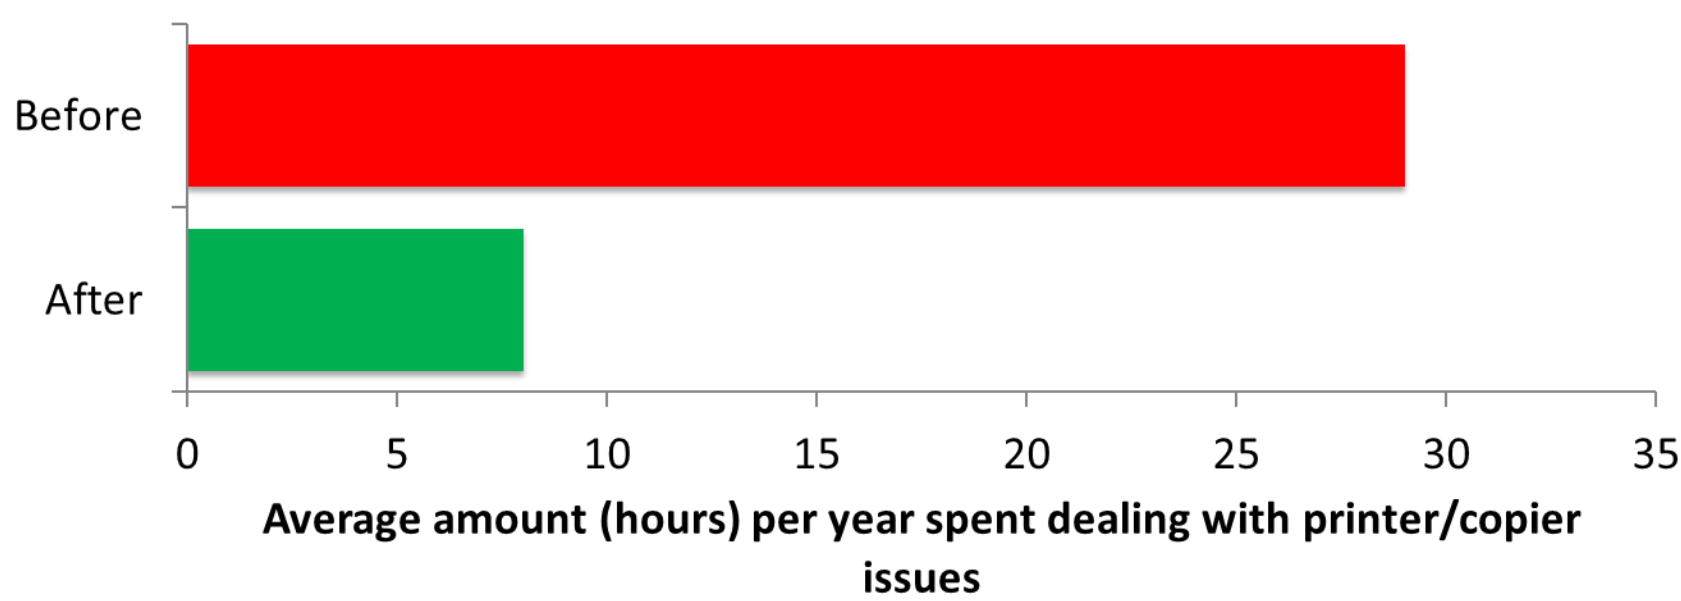

If you'd like to see these kind of improvements at your organisation, please contact us to discuss how we can help.
